WHO WE ARE

About Acolba Limited

In a highly competitive world, comfortable living has become a basic necessity. **Acolba Limited** is equipped with the capacity, experience and technical expertise to buy, sell, manage and maintain properties; to supply and install interior design solutions; and to deliver construction services including welding and fabrication of metals — through a core team of seasoned professionals tailored to ensure complete customer satisfaction.

Throughout the Federation, we exceed client expectations by maintaining the highest level of commitment to service while enhancing the community through active quality delivery. Our team is committed to keeping every property well-managed and aesthetically pleasing.

Registered: Corporate Affairs Commission · BN 8106408

Vision & Mission

OUR VISION

Exceeding expectations through service.

To exceed client expectations by maintaining the highest level of commitment to service while enhancing the community through active, quality delivery.

OUR MISSION

Sustainable living, made tangible.

A commitment to a sustainable way of life and comfortable living — delivered through Real Estate services, Property Management, Supply and Installation of Interior Design, and Agro-Allied production locally and globally.

WHAT WE STAND FOR

Our Core Values

01

Sustainability

A long-view commitment to projects, places and people.

02

Excellence

Master-level execution at every touchpoint of delivery.

03

Integrity

Transparent dealings — your trust is our standard.

04 Transformation We build environments that elevate how people live and work.	05 Entrepreneurship Creative, resourceful, business-minded problem solving.	06 Family We treat clients, staff and partners as one community.

LEADERSHIP

Our Management

Acolba Limited is built around individuals with excellent proficiency and operational control skills. Our practices produce revenue and credibility; our expertise renders services to diverse stakeholders and communities around the world.

The three pillars of our management philosophy:

- **Credibility** — reputation earned, project by project.
- **Effective Communication** — clarity from brief to handover.
- **Quality Assurance** — every deliverable measured against a defined standard.

Our Quality Policy

Acolba Limited exists to succeed in the supply of interior design products, property management services, industrial cleaning services, and engineering installation — including welding and fabrication of metals. Our systems are deliberately designed to advance productivity, safeguard quality, and deliver value that lasts.

WHAT WE DO

Focus Areas

Interior Design

Bespoke spatial solutions — supply and installation.

Property Management

Service, infrastructure and asset performance.

Construction & Fabrication

Welding, metalwork and build delivery.

Safety & PPE Supply

Certified equipment with on-site compliance.

Pricing & Timeline

Pricing and Payment Terms. Our pricing is competitive and tailored to the specific needs of each project. We offer flexible payment terms and accept multiple payment methods.

Project Timeline. We are prepared to commence work immediately upon acceptance of a proposal. Detailed timelines are outlined per engagement. We strive to maintain high standards while exceeding client expectations at every level.
